<https://trusteventsolutions.com/event/131/home>

- Click on "NEW VOLUNTEER"
- If you are on a mobile device/tablet, look in the top right hand corner. There should be a red square – click on it. If you are on a computer, look at the top right hand corner and click returning volunteer/login.
- Create a username AND password. Be sure to write these down!
- Once you are in, check off if you want to be an adult volunteer (18 years or older) and not wanting to register as a Standard Bearer OR Junior Volunteer (13-23 years old). Junior volunteers can only register as a Standard Bearer.
- From there please follow the steps on the website.

You will know your registration is complete when you receive a confirmation email.

P.S. – If you do not see a committee that you're interested in, that means it's full. You will be asked to pick 3 committees and from those 3 you will be assigned a final committee.
